It is understood that extensive improvements will be made on the land, that a row of trees will be set out along the roadside and that one or more houses will be placed thereon. It is expected that some of the land will be converted into an artificial lake. The price paid for some of this land is \$1,000 an acre.

Among many remarkable wonders in Korea is the "hot stone," which from remote ages has lain glowing with heat on the top of a high hill.

Drinking Water.

That drinking much water lessens weight instead of increasing it, causing one to grow thin instead of fat, is the surprising result of recent experiments by M. Maurel, a French investigator.

SOFTNESS OF SEALSKIN.

Is Rivalled by Human Hair Where Dandruff is Eradicated.

Sealskin is admired the world over for its softness and glossiness; and yet the human hair is equally as soft and glossy when healthy; and the real cause of all hair trouble is dandruff, which is caused by a parasitic growth that saps the vitality of the hair at its root. Newbro's Herpicide is the only preparation that is fatal to the dandruff germ. Without dandruff there is no falling hair, but a luxuriant growth of glossy, soft hair is certain. Scouring the scalp won't cure dandruff. Kill the dandruff germ. Thousands of women owe their beautiful suits of hair to Newbro's Herpicide. Sold by leading druggists. Send 15c. in stamps to The Herpicide Co., Detroit, Mich.

BASE HITS.

Billy Keeler has a new bat only thirty-two inches in length. It will look bigger than the mast of a schooner to some of the pitchers next summer.

Jimmy Smith, scheduled to take Rhody Wallace's place at the St. Louis Americans' short field this season, is one of the smallest men in major league company.

Secretary Barnard figures that the Cleveland club will travel 16,500 miles this year, 2,500 miles before the race begins and 14,000 miles during the championship season.

President Taylor of the Boston Americans has wagered with Ned Hanlon a suit of clothes that the team winning the American league championship will also win the world's championship series; also a suit of clothes that Grimshaw will play out the season with Boston.

TWO HOUSES.

All but the lower part of the Duke of Medina's house at Argemunsilla, Spain, in which Cervantes wrote "Don Quixote," has been burned. The destruction of this historical treasure is greatly lamented.

The old brick house in Cincinnati in which Thomas Buchanan Read forty years ago wrote "Sheridan's Ride" has been sold and is to be torn down to make room for a new manufacturing building. A memorial tablet was recently placed on the house.

Last Hope Vanished.

When leading physicians said that W. M. Smithart of Pekin, Ia., had incurable consumption, his last hope vanished; but Dr. King's New Discovery for Consumption, Coughs and Colds, kept him out of his grave. He says: "This great specific completely cured me and saved my life. Since then I have used it for over ten years and consider it a marvelous throat and lung cure." Strictly scientific cure for coughs, sore throats or colds; sure preventive of pneumonia. Guaranteed. 50c and \$1.00 bottles at the Red Cross Pharmacy. Trial bottle free.

About Making Gardens.

There is nothing better than pure ground bone in making gardens. A teaspoonful in a hill is a permanent benefit, lasting all summer. Enclose \$3.25 in check or postal money order, or in a registered letter, and a trial barrel will be shipped to you promptly. If you don't need it all divide it with your neighbors. We publish a little booklet showing how to use ground bone as a fertilizer in gardens and in green-houses and to promote the growth of your flowers and shrubbery. Send your name on a postal card and it will be sent to you free by return mail. C. S. Page, Hyde Park, Vt.
